

# The GLS

Sport Utility Vehicle

Mercedes-Benz

The pinnacle of space and comfort is  
only to be found in the new GLS.

The new GLS does full justice to the "S" in its name. Like no other car in the world, it combines the effortless agility of an SUV with the inner qualities of an S-Class. Climb aboard and discover exquisite luxury, tangible comfort and an unprecedented standard of exemplary safety.

## Climb aboard and revel in modern luxury.

In the new GLS, everything you see and touch adds up to a first-class experience. The fluid transitions, the stylish wood trim and the fully digital Widescreen Cockpit blend harmoniously into the superlative interior. As the first luxury-class Mercedes to feature the MBUX infotainment system, it also understands you better than ever before.

Maximum comfort.  
And almost minimalist design.

The image shows the rear interior of a Mercedes-Benz GLS SUV. It features three rows of black leather seats with perforated leather on the seat cushions and backrests. The seats are arranged in a 2-3-2 configuration. The second row has two seats, and the third row has two seats. The seats are upholstered in black leather with white stitching. The interior is well-lit, and the view is from the passenger side looking towards the driver's side.

## A rear compartment like none before.

The interior of the new GLS really is larger than life, with ample space for seven people. Each seat provides luxury-class comfort and an infotainment offering that even goes one better. The second row of seats is electrically adjustable and the third row is more comfortable than ever.

## Mercedes-Benz Intelligent Drive.

In the rush hour, during a long drive at night or on an unfamiliar route, your GLS noticeably takes the strain out of driving, particularly in stressful situations. It's all down to a concept that makes every journey in a Mercedes-Benz a safer and unique experience: Mercedes-Benz Intelligent Drive. Because the time you spend behind the wheel is your time. Time for relaxation. Time to re-plenish your energy. So that, first and foremost, you reach your destination safely, but are also more relaxed when you get there.

### EQUIPMENT HIGHLIGHTS – DRIVING ASSISTANCE SYSTEMS

**Active Braking Assist** is able to warn of impending collisions with vehicles, cyclists and pedestrians in certain cases, increase driver braking according to the situation or even initiate autonomous emergency braking. As a result, accidents can be prevented or their severity reduced.

The innovative **PRE-SAFE® Sound** generates a noise from the speakers that can trigger a natural protective reflex, so lessening the risk of damage to the inner ear by damping the accident noise.

**Active Parking Assist** with 360° camera makes it easier to find a parking space and to manoeuvre into and out of parking spaces. The choice is yours: park with ease yourself with excellent all-round visibility or make things easy by getting the car to park for you.

## Mercedes-Benz User Experience.

Infotainment to the highest GLS standard. The new Mercedes-Benz User Experience is designed to beguile you. At every look, every word and every touch.

### EQUIPMENT HIGHLIGHTS – CONTROL AND DISPLAY CONVENIENCE

Combining sporty driving pleasure and a superior driving experience: the head-up display transforms your windscreen into an exciting digital cockpit for viewing key information. Your full attention remains on the road and the traffic conditions in front of you.

It takes just two little words from you – “Hey Mercedes” – to activate the intelligent natural-speech **LINGUATRONIC** voice control system, which understands almost every word you speak and can even handle indirect language. The air conditioning will respond to “I feel cold” by setting a higher temperature, for example.

Enjoy the comfort of contact-free control with the **MBUX Interior Assistant**: this innovative system captures and interprets your hand and arm movements. This means you can activate selected functions in a matter of seconds. The system is able to differentiate between driver and front passenger – so that you reach precisely the menus you wish to use.

### Fully digital Widescreen Cockpit.

With the Widescreen Cockpit, the instrument display and media display form a single visual unit. The two fully digital colour displays are combined beneath a shared glass cover and blend harmoniously into the interior design as a seamless surface. The media display appears here as a free-standing variant for the first time – an elegant eye-catching feature.

### Burmester® surround sound system.

Experience more performance and exclusivity with the legendary Burmester sound. The high-performance speakers develop a first-class surround sound. You can specifically optimise this for the front and rear seats to intensify the listening experience. A level of quality that is also visible, thanks to the high-quality Burmester lettering.

### 21-inch wheels.

Tailor-made to suit your individual taste: the new GLS offers wheels of up to 53.3 cm (21 inches) in size, plus a stylish selection of different rim designs and colour variants. To add that final distinguishing flourish to your car's appearance.

### Panoramic sliding sunroof.

Both open and closed: with the panoramic sliding sunroof, you experience a wonderful feeling of freedom and enjoy a pleasantly bright ambience in the interior. When viewed from the outside, the large sliding sunroof likewise makes a unique visual impression, as it lends lightness and exclusivity to the exterior.

## The EXCLUSIVE Interior design and equipment line.

With the EXCLUSIVE Interior line, you can give the finishing touch to your vehicle's interior. Elegant details and stylish materials add individual highlights in keeping with your very own taste.

## The AMG Line.

The expressive styling of the AMG Line lends your vehicle a thoroughly dynamic touch. For a clear distinction from the standard model. With it, you make a clear statement for powerful design.

## 9G-TRONIC.

Leave the gear-shifting work to your vehicle: you will barely notice the gear changes made by the 9G-TRONIC automatic transmission. Nine gears enable low engine speeds, which reduces your fuel consumption and ensures quieter running.

When you select the Comfort and ECO drive programs via DYNAMIC SELECT, the 9G-TRONIC will shift smoothly and efficiently through the nine gears to deliver the ultimate in driving comfort. The transmission also comes with sporty credentials: at the push of a button you can enjoy fast, sporty gear changes while nevertheless remaining in the ideal engine speed range for much of the time. Sport mode raises performance accordingly for even greater driving enjoyment.

## Technical data.

	GLS 580
Displacement (cc)	3982
